PILOT Professional RIBs with inflatable collar

P5•P6•P7•P8

P8MD-INBOARD DIESEL

P8C-DIVING BOAT

P7-SAR - RESCUE

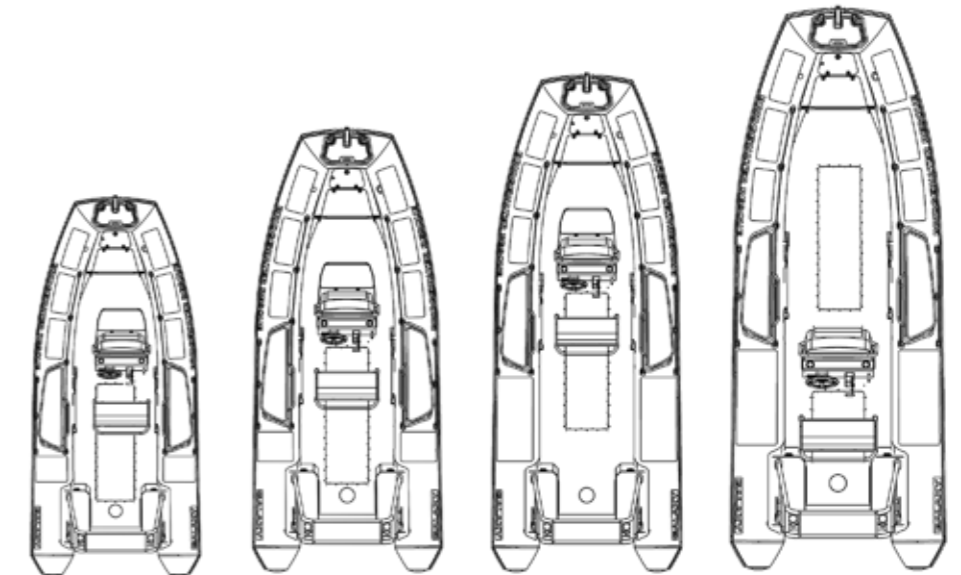

P5-SAR - RESCUE

Series PILOT represent a line of classic aluminium hull RIBs with inflatable tube. There are 4 models in the range: P5, P6, P7, P8, and all of them meet the toughest requirements for operation boats, law enforcement and patrol, heavy duty military and commercial use. There are several options for tube structure and cockpit arrangements available on request for different applications.

Every boat has heavy-duty hull and empty deck for custom installation of steering console, large variety of seating arrangements, T-tops, towing arches and other equipment. This concept is extremely flexible and allows to meet the exact requirements of the professional customer, when he will have exactly the boat fitting his needs.
